

# The **KEEP 9** Amendment

- The proposed “Keep Nine” Amendment to the U.S. Constitution simply states: **The Supreme Court of the United States shall be composed of nine Justices”**
- It is now backed by more than 200 Members of Congress.
- It was first introduced in Congress by a Democrat in 2020.
- Polling shows that voters would back it by a **3-1 margin.**
- The “Keep Nine” Amendment would preserve an **independent Supreme Court** to guard against the abuse of power by any future President or Congress.
- Public pressure forced Congress to propose Amendments for a **Woman’s Right to Vote** and **Presidential Term Limits.** It can now force Congress to propose **“Keep Nine!”**
- Join a network of citizen activists to preserve an independent Supreme Court for future generations
